Good Morning,

I am not showing any cost incurred to this site E19902 – Z9EI to date. The only cost I have charged to the site are obligated funds to the contractor Weston shown below. Please let me know if you have any questions.

Subject: Request for Costs-to-date: FPN No E19902

I am requesting costs-to-date incurred for the Slauson Tanker Fire Incident (FPN No E19902). I have inherited the site from another OSC, and I want to ensure that the removal oversight efforts do not exceed the current FPN ceiling, which is, I believe, \$50,000.

Thank you,
